

Supply List for Christmas 2009 Diaper Fold Gift Pouch

Aloha, and welcome to Robin's Craft Room!

Every time gift giving season comes around (and that would be just about every month of the year in circle of friends and family!) I think of the versatile Diaper Fold Pouch. You can use this pouch for stashing small gifts (or large, if you can find a piece of paper big enough!), small cards (ditto on the paper) or even a cash stash!

For this card, I used a 7-1/2" x 7-1/2" piece of one of **Stampin' Up!'s 2009 holiday papers, Holiday Lounge**, to make the [Diaper Fold Pouch](#).

To decorate it, I used the following Stampin' Up! Products:

Supplies for Decorating the Pouch

Holiday Best Hostess Stamp Set

Ornament Punch

Jumbo Snowflake Punch

Whisper White 1/4" Grosgrain Ribbon—18"

Crop-a-dile (for punching through all those layers!)

Taken with Teal Stampin' Write Marker

Real Red Stampin' Write Marker

(Optional) Sizzix Big Shot—Stampin' Up! Magnetic Movers and Shapers, Holiday Windows set (use with the Stampin' Up! Curly Label Die)

Mini Glue Dots

3" x 3" of each of: Whisper White (cut 2), Taken with Teal, Sahara Sand (cut two if you're going to use the Sizzix die to layer the ornament punch shape).

Instructions

Using the Crop-a-dile's large hole punch, punch a hole on both side of the pouch just below the top horizontal edges through all layers. Thread the Whisper White 1/4" Grosgrain Ribbon through the holes and tie a bow at the front center. Trim the ribbon edges.

Use the Stampin' Write markers to color in the Christmas Ornament image from the Holiday Best stamp set. Punch the stamped image with the Ornament Punch. (Optional: use the Stampin' Up! Movers and Shapers ornament punch shape and cut an ornament from a piece of Sahara Sand card stock.) Layer the two pieces, or simply affix the Whisper White piece to the front of the pouch just under the knot in the Whisper White bow.

Punch snowflakes from Whisper White, Taken with Teal, and Sahara Sand card stock. Arrange on the front of the pouch and adhere using a Mini Glue Dot in the center of each snowflake.

Fill with a small gift or card and you're done! (Note that a Diaper Fold Pouch made with a 7-1/2" square piece of paper will fit in a standard A2 size envelope!
