## Instructions:

### Pouch

- Score Pink Pirouette Card Stock on one diagonal, and lay the paper so the scored line goes from left to right
- Using SNAIL adhesive, attach Candy Lane squares to the top and bottom corners of the Card Stock.
- Fold the Card Stock as shown in the basic Diaper Fold Gift Pouch instructions, making sure that the Candy Lane squares are on the INSIDE of the folded area. When you fold the front down in the last step of the basic instructions, the Candy Lane paper will show on the front flap and the one on the flap that is left upright. Make sure to use SNAIL adhesive to attach the folded flap to the pouch.
- Stamp two circle medallions in black on Riding Hood Red Card Stock.
- Stamp the circle medallion in Riding Hood Red on Very Vanilla Card Stock.
- Punch one of the Riding Hood Red/Black ink medallions with the Scallop Circle Punch
- Punch the center of the Very Vanilla medallion using the 1-1/4” Circle Punch
- Cut the heart shape out of the second Riding Hood Red medallion.
- Adhere the Very Vanilla circle in the middle of the Riding Hood Red Scallop; adhere the small Riding Hood Red Heart into the middle of the Very Vanilla Circle.
- Fold the taffeta ribbon in half, and tape to the back of the Scallop punched Medallion, and adhere the Medallion with the ribbon to the front of the pouch
- Punch the remaining Riding Hood Red Card Stock with the Heart to Heart punch, and adhere the hearts to the front of the pouch.

### Love Note

- Fold the Very Vanilla CS in half to form a 3” x 3” Love Note
- Adhere the 2-3/4” square piece of Riding Hood Red Card Stock to the front of the Love Note
- Stamp the “Love” stamp on the 2-1/4” square piece of Very Vanilla, using Riding Hood Red stamp pad. Color letters in using Pink Pirouette stamp pad and the blender pen. Color the leaf using Green Galore Stampin’ Write Marker. Adhere this piece to the center front of the Love Note.

Insert the Love Note into the Pouch. Note that this will fit into a standard (Medium) envelope. If you are mailing this, you may need extra postage due to the thickness of the center medallion.
